### **Doors Open Winnipeg**

-We had a successful two days with Museum and Caron House and are already making plans for next year (and Canada's 150 celebration)

### **Chapman School 102 Celebration**

### **Heritage Lecture Series**

-Steven Fletcher delivered a great lecture on the Plains of Abraham and historic flags. He also presented us with a framed, illustrated history of the Canadian Red Ensign, which is now in our CHS Museum. Deanne has a full Lecture schedule for the Fall and a topic list well into next year for us.

### **Kelly Landing Grant Application approved**

-Our grant application has been approved for signage at the East entrance to Kelly Landing Park and for a footpath at the West entrance.

### **Upcoming Events**
