Caron House

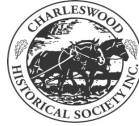

We are currently looking for new tenants for Caron House.

We are in the process of painting the interior and completing necessary repairs. This work will be a complete transformation of this lovely old heritage home of which we are so proud. We have plans for other required work and the exterior house and fence painting for the Spring of 2024.

Charleswood Museum Report

The Museum continues to be open every Saturday afternoon from 2 - 4 PM.

A new display is in place at Charleswood Library. This display features a Remembrance Day theme with artifacts from the Museum. We Remember the Men & Women, from Charleswood, who served during WW1 & WW11. The display will be in place until the end of November.

Welcome to Charleswood Sign Replacement

The CHS is spearheading the replacement or refurbishing of the “Welcome to Charleswood” sign on Roblin Blvd. just west of Assiniboine Park. We will be working with Councillor Evan Duncan on the project with hopes that it can be done early 2024. Other service groups within Charleswood interested in the project include the Rotary Club, the Charleswood Legion, Garden Club, Lions Club and the 55+ Active Living Centre group. We will keep you posted as we progress on the work, as the current sign, although tired, has served us well for over 20 years.

Grey Cup tickets

Thanks to all those who bought and sold Grey Cup pool tickets this year, your participation is really appreciated.

Charleswood Books

We have a new shipment of the popular book “Photos & Fragments of Charleswood’s History”, available at the Charleswood Museum for \$22.00.

NEW Charleswood mugs.

These mugs have a variety of images pertaining to our community. Christmas will be upon us sooner than we think. These are great gifts/stocking stuffers for friends and family, or to send to former Charleswood residents. The mugs sell for \$14.99 and are available at the museum.

Museum Information Kiosk

The CHS is putting the final touches on the Information Kiosk at the museum that will allow Historical Society volunteers and visitors to access historical pictures and write-ups. Having these archived and available for easy access will help with inquiries regarding the history of the Charleswood and surrounding area. Once installed, we will set a launch date. In the not near future we will provide the public the ability to bring in their photos and memories to be added.

General Meeting

Our next General Meeting will be **Tuesday, November 28** at 7:00 pm. The meeting is open to all CHS members.
